Christian Ministry Position Available In Northern Ontario

Light Haven is a non-profit Christian retirement home in Northern Ontario, located 40 miles east of Sault Ste. Marie on the shores of beautiful Lake Huron. For more than 40 years Light Haven has been able to provide comfortable, home-like retirement living for elderly people in a Christian environment. Many of our residents have come to know the Lord in the sunset years of their life.

Due to the recent retirement of our Administrator, we now have a need to hire a new person to fill this currently half-time role. We are seeking an individual (or couple) who is in fellowship with their local church and has a heart for Christian ministry, particularly on behalf of seniors. The role requires leadership or managerial skills. Some health care or nursing experience would be an asset as well, but are not required. Although oversight of financial and reporting aspects of the home's operations would be involved, they are managed on a day-to-day basis by a very capable office manager. Encouraging staff and residents and promoting Light Haven in local communities and churches are also important parts of the role.

This is a ministry position with a minimal salary. A small apartment in the home is available for accommodation.

If this ministry interests you, we invite you to contact us for more information. The contact person is Dean Love (Board President and Acting Administrator) at either 705-246-1628 or dean_love@hotmail.com.
